DEADLINE FOR SUBMISSIONS INTO THE NEXT SOJOURNER IS DECEMBER 20, 2014.

NATIONAL SECRETARY’S NOTES

There is a lot going on with National Sojourners. We just concluded the EXCOM, Mid-Winter is coming up, the Conference of Grand Masters and the next National Convention loom in the distance. The dues cards have gone out to those who are not MIPs. Requests for donations to support the Spirit of America Education Foundation, the SEM Fund, and to sponsor ROTC Awards have gone to the MIPs of the In Memorium Chapters. Total Membership thanks to MIPs has grown while both individual and multiple MIPs have dropped significantly as have Regular and Honorary dues paying members. Our growth sadly is in the deceased MIPs which has increased by over 450 since the first of the year fueled by the passing of some with numerous MIPs. For us to continue to be vital we need to start doing more recruiting. Our Harris Book program greatly declined in support this year, I assume due to its frequency and influence of the economy. Perhaps we should think twice before we do this again. Sojourner items sales have been going well as I hope everyone has seen the new catalog. Now is the time to order your Sojourner and Heroes Christmas ornaments. If you don’t have one of each you need them. National Sojourner Masonic Aprons have been popular; again if you don’t have one you may want to ask Santa for one for Christmas. Our continued time in our home here at the Collingwood Mansion may be limited but the Foundation is expected to continue so all are encouraged to continue to support them with your charitable donations. As long as we are here or wherever we end up all Sojourners are always welcome to come in and say hello whenever you can. Visiting with members either socially or to conduct business is always a pleasure and our doors are always open. If Collingwood’s door is locked just ring the bell and we will come out to greet you.

TABLETOP FLAG

The requirements to earn a Tabletop Flag has Changed. To earn a Tabletop flag a member must bring in THREE NEW MEMBER MIP’s. Not just three new members as some come in and pay for a year and then do not return. This flag can only be earned and cannot be purchased.
NATIONAL PRESIDENT’S MESSAGE

I hope the last two months of the year find you and yours experiencing wonderful days while reflecting on your patriotic and spiritual lives.

I ask you to think of those determined and brave first early settlers who came to our shores. Give thanks to God for them, their values and their descendants who delivered us from the same tyranny that caused them to cross the ocean. Remember also those who died over the years to preserve the country established on the same principles that we cherish and one time swore to defend against all enemies foreign and domestic. Pause and think about the acts of God in your life as your depth of knowledge of the things that matter most continues to grow. May you create new memories in these months to share with your families and friends.

The excitement of the members of our new chapter, High Country #553, was amazing to witness when their charter was presented. A 91 year young brother, Sam Wotherspoon, who is the chapter chaplain, told an inspiring story of one of his experiences of helping someone in distress in WWII in Italy.

As the National Sojourner year progresses, I invite you to come to our Mid-Winter Meeting in San Diego and share some memories of your holidays while they are still fresh in your minds and dear to your hearts. In addition to reviewing old and new experiences we’ll have the opportunity before and after the MWM to explore many of the wonderful sites in San Diego: Seaport Village shopping center on the bay, the retired USS Midway, the famous San Diego Zoo and the museums at Balboa Park, Mission Bay beaches, Point Loma light house and viewpoint, Gaslight Village and, of course, shopping malls and a multitude of restaurants.

The theme for the Friday evening MWM dinner is tropical so wear Hawaiian or Caribbean clothing every day if you want. Coat the tie are not needed. You can get the registration form for the MWM from the website, from your chapter secretary or regional and area representatives. I look forward to seeing many of you there. May you sense the presence of God.

KNEE TO KNEE PRAYER

This is the second article of several directed by the National President to be written and published in The National Sojourner Magazine during 2014.

My first exposure to prayer was soon after I began to speak as a young boy living in the country in the state of Alabama, where I memorized this prayer, “God is great, God is good, thank you God for this food. Amen!” Some years later I learned another prayer for thanking God before each meal for the food that I was about to consume: “Dear Lord Jesus, as I come to Thee, make me what I ought to be, bless this food that I am about to partake and I ask it all this in Thy name sake. Amen!” This prayer became the Gilbert Family Prayer prior to each meal for the next sixty or so years.

During the twelve years in the county school system, I was exposed to prayer during openings of sports events and other major programs presented by the school at different levels. This also included an every morning gathering around the Flag Pole in front of the school where we recited “The Pledge of Allegiance to the Flag of the United States of America “without using “one nation under God” which was added later.”

I enlisted in the U.S. Army in August after graduating from High School and had little contact with prayer other than my daily personal pray with my God. It was not until I was commissioned a 2nd Lt. of Artillery at Fort Riley, Kansas and met and married my wife that we became active in a church where we were again introduced to prayer. We continued to be exposed to prayer as we were now living in Germany.

Upon returning from Germany, my exposure to prayer was when I joined the Masons in 1955 and noted that there was two major prayers-one at the opening of the lodge and one at the closing-both most impressive. As I joined other Masonic associated organizations, Scottish Rite, York Rite, Shriner, Eastern Star, and National Sojourners, I noticed that all had opening and closing prayers which are very important to each of the organizations.

I am also exposed to prayer every Sunday at church in Sunday School Class and during the Sermon preached by the pastor. All of these various exposures to prayer is available to every member of National Sojourners and prayer is the most important words that will ever come out of your mouth. I remember what my Mom told me about prayer when I was very young, “if you want something very bad, get down on your knees and pray for it, then get up off your knees and with the help of your God make it happen.” I suggest that Brothers and Ladies, who are members of National Sojourners,”when on bended knees” in your daily prayers, use the advice from my Mom and pray for Our Troops, distressed brother Masons and National Sojourners and their families.

The Sojourner
I PLEDGE ALLEGIANCE TO MY FLAG
by Merten Howe

I pledge allegiance to my flag
And its repeated appearances in my life.
My early school years were set in
Small classrooms where the flags on the walls symbolized
Two oldest brothers’ absences
For duty in World War II, a third for Korea.
I pledge allegiance to my flag,
A continuing symbol of my family’s gift.

I pledge allegiance to my flag
On hundreds of our Navy ships on seven seas
As proud reminders of my home.
We saluted and admired the ensign’s beauty.
The stars and stripes reminded us
Of our tasks to defend and respect our land.
I pledge allegiance to my flag
In all climes as it weathers wind, rain, and sun.

I pledge allegiance to my flag
Presented to me at my Navy retirement.
This flag flew in Antarctica
Reflecting my love for God’s awesome creations
And on our nation’s capitol.
Now full of memory and meaning, it lives with me.
I pledge allegiance to my flag,
My companion for thousands of miles of travel.

I pledge allegiance to my flag
Whenever I see it touchingly given
In military funerals
To survivors of the heroes who used their
Lives to serve their and my flag,
Always a precious and vital symbol to all.
I pledge allegiance to my flag,
An icon of love, respect, and dedication.

I pledge allegiance to my flag
At every church, Masonic lodge, and speakers’ dais,
A correct, standing sentinel
Heavy with multiple meanings before the eyes.
Its ever presence floods my heart
With great pride, memories, and associations.
I pledge allegiance to my flag
Always reappearing to decorate my life.
I pledge allegiance to my flag
That dances in the wind daily outside my home.
Seeing its everyday presence
Symbolizes my life, devotion, and honor.
My feelings include years of pride
And appreciation for my country and life.
I pledge allegiance to my flag
With which I celebrate everyday of freedom.

GIFTS AND BEQUESTS

National Sojourners, Inc. has a continuing and increasing need for supplemental funds to meet our operational needs. Dues and investments fail to accomplish this purpose.

The practice of passing the hat to fund viable requirements has no place in the operation of a corporation like ours. We must be able to plan for our needs, through budgetary process, with the anticipation that funds will be, in fact, available to meet our future needs. The current prospects are not optimistic for more than minimally necessary revenues without some action on our part to develop additional revenues streams.

There are no easy answers. Few of us are fortunate enough to have unlimited resources with an income which enables us to be as generous as we wish. We are all inundated by appeals for donations from a myriad of organizations to which we belong, as well as others from the general populations of just causes. Establishing priorities is a difficult and trying exercise in view of our many diverse individual loyalties.

The National Sojourners Brochure, “A Guide to Giving”, provides a menu of options which you, as our members, may use to aid you in deciding how you can best help National Sojourners in its increasing need for funds just to keep up with the increasing costs associated with our “just doing business.” Please review the brochure, and especially review and consider executing the Codicil that is also available on our website.

During the 2014 ANC we authorized the creation of a “Virtual SEM FUND Wall” and it being posted on our website to recognize individual donations to this fund. The “Virtual Wall” eliminates the use of bricks and mortar, and does not require actual ground for stepping stones or a wall in an existing building to display it. Hence, if future necessities require movement of our Headquarters, there is nothing to remove and relocate at our new site. What is on the web, remains only on the web and is visible to all, regardless of the physical location of our Headquarters.

Although all donations will be gratefully accepted, “bricks” which you donate to our new “virtual Wall” will accrue and contribute to the construction of our “virtual Wall” of donors who will be identified by their name and amount contributed on the individual virtual bricks or stones building it. A minimum of $100.00 will purchase the smallest sized brick or stone. Larger contributions will get recognized by larger bricks or stones. The “Wall” will be accessible on our website where you can watch as the Wall continues to grow, brick by brick or stone by stone. Subsequent donations will be placed in the contributor’s account and their brick or stone will grow in size accordingly.

National Sojourners, Inc., and more especially your Gifts and Bequests Committee, deeply appreciates the many gifts and donations which members have made in the past, and we solicit your continuing support as we build our “Virtual Wall” when it makes its debut.

Two hundred sixty-eight oak trees and a memorial honor those brethren. Pavers in the memorial recognize the conflicts in which Pennsylvania Masons served, from the Revolutionary War to Operation Enduring Freedom and Operation Iraqi Freedom. The new eternal flame was dedicated by Bro. Robert Bateman, RWGM and other Grand Lodge officers, as part of a moving ceremony. On the base of the flame is an engraved plaque which states “All gave some, some gave all.” Pavers that were purchased by individuals, families and lodges to honor those who served at any time in the U.S. military cover the area around the eternal flame. A paver was donated by us. Each of those pavers is engraved with a name and branch of service or another inscription of their choice. There are more than 700 pavers in place with room for more to be added in the future. Organized by Bro. Thomas Campbell, Massing of The Colors Chairman, members placed 250 American Flags under the oak trees throughout the grove as part of the dedication event.

Our Members comprised the majority of the Service Color Guard, supplemented with residents of the Masonic Village, all in uniform. Bros. Leonard Bezar and Winton Hewett from Benjamin Franklin #16, wearing their Continental Uniforms, presented a tandem “Toast to the Flag”. At the conclusion of the dedication, a WW II B-25 Mitchell Bomber from the Mid-Atlantic Air Museum in Reading, Pennsylvania did a fly-over, which was quite spectacular. Tom Corbett, Governor of the Commonwealth of Pennsylvania, was noticeably impressed. As in years past, we manned our display situated in a strategic location near the free food. From this vantage point we distributed a number of NSI Americanism pamphlets and handouts; and the occasional petition to qualified Bros. who showed an interest in an outstanding Masonic organization. With our annual “Massing of the Colors” for Veteran’s Day and the manning of our display at the Fall Reunion of the Harrisburg Valley AASR, it appears that we will remain busy.

PASADENA #265, LTC Joe Ryland, Secretary, 5215 Kauffman Ave, Temple City, CA 91780-3948. It is a fact that twenty Past National Presidents of National Sojourners are MIP members of Pasadena #265. This tells us something; it tells us that national officers know they can stay abreast of current Sojourner happenings in California and in the western states by reading our newsletter and also minutes of our chapter meetings. National and regional Sojourner news is also sent to our members. Every member receives the newsletter and minutes by e-mail in a regular and timely manner. A few members do not have e-mail so they receive everything by U.S. Mail. At the August chapter meeting our new chapter president, Bruce Ewald, presented national awards to recipients who had been nominated last winter. He presented four Presidential Citations to Bob Reynolds, Steve Harris, Ben Romano, and Doug Bridges. PAST MASTERS #997, CPT Chris R. Christoff, Secretary, 1990 Doris Ave., Los Osos, CA 93402. Worshipful Sirs. We’re looking forward to having a good attendance for our Chapter meeting at this Mid-Winter Meeting in San Diego, CA on Thursday, January 15, 2015. Our Chapter meeting normally, scheduled from 0700-0800 hrs has been rescheduled to 0730-0800 hrs due to the complimentary break-
fast being served from 0700-0900 hrs. If you don’t have an 0800 hrs meeting you might consider skipping breakfast at 0700 hrs and come to our meeting. We’re trying to open earlier to make up for lost time. You can then have your breakfast after we close at 0800 hrs. Breakfast is available continually until 0900 hrs so you’ll have plenty of time for that second cup of coffee. Our meeting room is located on the top floor of the hotel right next to the Hospitality Room where you will have your breakfast, so you will not have too far to go. If you decide to have breakfast at 0700 hrs, please come to our meeting as soon as you can. Our original “Chicago” Sojourner medal has been lost! It had been in use to open our meetings from the days when we were still a Club. If you have served as Chaplain to open our meetings at any time during the past years you may still have it in your possession. To identify this medal look for the inscription engraved on its reverse side. There’s only one like it! Let me hear from you.

Aloha,

September and October had me traveling to the mainland. I offer my heartfelt thanks to all for the kindness and courtesies extended to me during these visits.

In September, I attended the Southern California Area Conference and Encampment at Camp Pendleton. I went to the Pacific Northwest in October for the Conference and Encampment at Pacific Beach in Washington. Following that, I attended the Executive Committee meeting in San Antonio, Texas. This meeting was very educational for me. I can assure you that our organization is in good hands.

These events did not magically happen with smoke and mirrors. It took much planning and coordination with many people. What did Smoke say to Mirror? It’s all done with people.

Although I was station at Camp Pendleton and in Seattle and was familiar with driving in the area, it had been many years since I was in either area. I was completely unfamiliar with Pacific Beach and only know the River Walk in San Antonio. Thankfully, my phone has a map application and I navigated my way with little difficulty.

Often in dealing with people, the road can be difficult to travel. Working with facilities, hotels, restaurants, caterers, brothers and non-Masons can be a rough road or even a dead end.

However, Masonry has given us an application to help us navigate through life. We have a MAP:

Meet
Act
Part

Meet on the level, Act by the plumb and Part on the square.

Remember, every human being has a claim upon your kind offices. Do good unto all. May brotherly love prevail, and every moral and social virtue cement us.

Semper Fidelis, EIAR

ANTHOY WAYNE CAMP (Detroit #1).

While the camp was at recess, a noise was heard in the nearby vicinity. Upon investigating, a recruit was found trying to enter the camp. He was examined and his answers were not clear to the commander. This resulted in him having to cross the Big “D”. He was finally voted in to become a Hero. This Bro. is the Past Grand Master of Michigan by the name of Dean Barr. He is currently serving as the Grand Chaplain, Congratulations Hero.

ROBERT MORRIS CAMP (Minnesota #25).

We were significantly involved in a recent Cornerstone Ceremonial at MN Masonic Charity’s event of 23 August 2014. The Event was set at The MN Grand Lodge Headquarters in Bloomington, MN and involved the razing of an older building and proposal for the $10 Million Dollar replacement for a Masonic Amphitheater, Masonic Museum and Library.

We were quite busy at the 9-11 Memorial Tribute of 2014 at Lake Harriet Bandstand; Where over 2000 persons braved the cool weather for a very pleasant evening. There was room for more; this Event is expected to grow in the years ahead. MN National Sojourner and Hero’s of 76 Members played an important and significant role in the ceremony and organizational ways and will continue to do so in years ahead.

MOULTREI CAMP (Charleston #28). The 14th annual Encampment with Georgia Hussars Camp was held at Fort Harmony (Harmony Lodge #22 Beaufort SC.) on 13 September. A commotion interrupted the proceedings, two motley looking characters were arrested and taken to the guard house and interrogated. They were Sojourners seeking to join the Continental Army. After a few trips in the big “D” Bros. Eric Johanson, of the Georgia Hussars and James Huntley of Moultrie were made Heroes of “76”. Both Commanders Bros. Dennis Dayton of Moultrie and James Westbrook of Georgia Hussars did an outstanding job with their candidate. The Camp Followers Degree conducted by Den Mother Terry Westbrook and her assistants was bestowed on Sisters Cindy Huntley, Ansley Huntley, and Rita Johanson.

FORT TRUMBULL CAMP (New London #58). Little recognized in our National history was that a small British invasion force under Captain Sir Thomas Hardy appeared off Stonington Point, Stonington CT on August 9th. Hardy’s squadron consisted of the PACTOLUS, 38 guns, the DISPATCH, 20 or 22 guns, and the mortar bomb ship TERROR. On Aug 10 the squadron was joined by the flagship RAMILLIES, 74 guns, and the Brig NIMROD. Capt Hardy demanded that the inhabitants of Stonington remove themselves or be destroyed. The Chairman of the Committee of Safety decided to fight. In response, Hardy ordered a start of the bombardment of Stonington. On the morning of Aug 10, the Stonington Militia manned the town’s two 18-pounder cannon and one smaller cannon, and proceeded to counter the British. The squadron was restrained from getting close the beach due to shallow water, but the DISPATCH maneuvered to deliver a 10 gun broadside. Before the broadside was delivered the battery’s two 18 pounders fired at the DISPATCH, striking multiple hits, some below the waterline, forcing her to retire before sinking. Hundreds of militiamen from adjoining towns rallied to the town’s aid, adding to the offensive against Hardy’s force, that continued for two more days. By the morning of 13 Aug, the British had tired of the battle and retired from the harbor.

On this weekend in August 2014, the people of the Town of Stonington held a Bicentennial celebration. The original battle flag, with its sixteen stars and stripes, torn and tattered, but preserved by the Stonington Historical Society, was placed on display in the Woolworth Library, for display to the public on 8 and 9 August. A contingent of Sojourners from New London Chapter #58 was privileged to be an honor guard for this display. Brothers William Breed, his Lady Scotty Breed, James Chianese, John Sasser, Burton Turner, Charles Clark and Chapter President John Plante, all in colonial attire, shared in answering questions, making sure the flag wasn’t handled, and posing for photos. Approximately 250 people were visitors. On Sunday Aug 10, a bicentennial parade was staged. The parade consisted of approximately 13 organized units, 5 fife & drum corps or bands and 5 of the founding families. There were thousands of spectators lining the Village streets clapping, saluting, and taking pictures as the marchers passed. The brothers of New London #58 and Coastal Lodge #57 were privileged to carry the Replica of the Battle Flag as has been done on the Fourth of July in previous years.

GEN MORDECAI GIST CAMP (Fort Jackson #184). Members presented the “Building the Flag” program to the 87th National Conference of The National Society of the Dames of the Court of Honor luncheon on 22 September.
There were three miserable wanderers observed in the vicinity of our guard lines. Though told to go away because undesirables are not wanted, they are still camped out near Old Fort Hood. We watch their every move as it may be necessary to take them, one at a time, into custody for interrogation. They seem to not have any rank or unit but we will make that determination at a later time. It is obvious that John Pershing Camp will be very busy this fall and winter. Our Commander, Simon McIlroy, has announced that several bivouacs will soon be scheduled at Old Fort Hood. At past bivouacs we have had an average attendance of 17 Heroes. All of them come with tri-corner hats or field uniforms; most of our Heroes have both.

JOHN J. PERSHING CAMP (Pasadena #265).

ISAAC SHELBY CAMP (Volunteer #414). On a dark and stormy Saturday morning 16 August 2014 at Camp Rosemark, we were encamped with Andrew Jackson Camp, and found two ragged and disreputable individuals wandering aimlessly near the perimeter of the camp. They were taken to the interior of the compound where their intent was questioned and determined to be sincere regarding enlistment in the Heroes of '76. Recruits Buster Miller and Bill Roraback were assigned KP duty, which after all, is only fitting under the circumstances. A council was quickly assembled and arduously determined their acceptance into the camp.

LIGHT HORSE HARRY LEE CAMP (Old Dominion #364). On 30 July 2014 ten members gathered at Collingwood Library and Museum on Americanism in Alexandria, Virginia to plan upcoming programs. The calendar of activities includes: Folding the Flag program at the January Masters and Wardens meeting; observance of Brother George Washington's Birthday at the February chapter meeting, and Wreath laying at the Tomb of Bro. Washington at Mount Vernon, VA. The membership discussed Heroes issues from the recent National Convention. The attendees also considered techniques to enhance the Heroes ritual and other ceremonial programs. It was a good night of fellowship and professional development.
