

About Freedoms Foundation

Freedoms Foundation at Valley Forge is a nonpartisan, nonprofit organization that educates about American rights and responsibilities, honors acts of civic virtue and challenges all to serve their community and country. It has volunteer chapters all over the United States that support this mission through local programs and fund raising efforts.

Each year Freedoms Foundation provides over 40,000 hours of educational instruction to students from across the country on America and our democratic system of government. Since its educational mission began, Freedoms Foundation has impacted 5 million students with our citizenship programs.

National Sojourners Mission

National Sojourners Inc. is a fraternal organization composed of Masons who are serving or have served honorably as members of the uniformed service of the United States or have been elected to Honorary membership. Their youth outreach mission is to "Teach Young Americans about America!"

Why a Spirit of America Youth Leadership Program?

Through experiential learning and critical thinking exercises, Freedoms Foundation inspires the next generation to take up the responsibilities of citizenship and develop their character and leadership.

Today's youth—tomorrow's leaders—must become the responsible citizens the United States needs, and this responsibility begins with a deep understanding of the principles on which the American system of government was founded.

“The key to the success of America is an informed and active citizenry.”
